

## AI and Money Making – Made Simple!

### Step 1.) Understand How AI Can Help Online Profiting

**See, AI helps online profiting by significantly reducing content creation time.** This allows you to create ebooks, reports, blog posts etc, faster that you could ever do on your own. This enables you to put out more and more buy buttons, giving consumers more chances to buy.

● **But here's the thing.** Unless you're creating, say, a freebie optin bonus, you really should infuse the generated content with your own unique voice so it sounds like something you yourself wrote (and not AI). With that as a headsup, AI tools can you profit online by using them to:

● [Gain the ability to ask questions and get answers and have a conversation](#) ● [Automatically summarize background reading](#) ● [Create eMails, blog posts and social media posts](#) ● [Create awesome AI Artwork](#) ● [Create Videos from Text](#) ● [150+ AI Tools to Flatten Content Making](#) ● [Take Awesome AI Artwork and Sell It via Print on Demand](#) ● [Lots of IM Marketing Needs](#) ● [AI and Twitter](#) and remember, AI is always improving! **Thus you WANT to stay abreast of the latest developments.** Move now to:

### Step 2.) Find Some of The BEST Social Resources to AI & Marketing

## Additional Marketing Goodies!

### Did you take advantage of them all?

I'm Dennis Becker, and along with my partner, Barb Ling, we're here to tell you...

**If you're struggling, I've been where you are, regardless of where you are now.**

My IM career started around 2002 (my online experience started in 1998 when I found and exploited eBay big time!), when my main income came from an offline store that wasn't doing so well anymore. I had even racked up (gasp!) over \$300,000 in credit card debt... [Click HERE for the UNEXPECTED Adventure!](#)
